

Pozdravna riječ

Dobro došli na Prvo svjetsko prvenstvo IDF-a (International Dart Federation) i 14. europsko prvenstvo EDU-a (European Dart Union) u Zadru. Ova natjecanja spadaju u apsolutni vrhunac u pikado sportu ove godine.

Srdačan pozdrav šaljem sportašima svih nacija, pridruženim savezima, delegacijama i predsjedništvima, predstavnicima medija i državnih tijela te svim gostima koji uživaju u našem sportu.

Naravno, na kraju ovog turnira nećemo vidjeti samo pobjednike nego i gubitnike. No ovaj će tjedan, koji je u znaku sporta i prijateljstva, donijeti također i važna iskustva.

Glavni cilj ovog SP-a/EP-a bio je okupiti što je moguće veći broj pikado igrača iz cijelog svijeta i pružiti im mogućnost da pokažu svoju vještinu u pikado sportu i sklapaju nova prijateljstva.

U ime EDU-a zahvaljujem se Hrvatskom pikado savezu (HPS) i tvrtki Cyberdine za njihovu gostoljubivost ovdje u Zadru i za savršenu organizaciju ovog događaja u Hrvatskoj.

Preostaje mi još samo zaželjeti svim sportašima uspješno i fer natjecanje i siguran sam da ćemo se najkasnije kod sljedećeg Europskog prvenstva u švicarskom Leukerbadu ponovno sresti kao prijatelji.

Sportski pozdrav,

Karl Plank

Predsjednik EDU-a

Greeting

I would like to welcome you to the First IDF World Championship (International Dart Federation) and the 14th EDU European Championship (European Dart Union) to be held in Zadar. These tournaments are the most important events related to the sport of darts this year.

My greetings go to the players of all nations, to the charter holders, to the members of the board of directors, to the representatives of the media and all guests and supporters of the sport of darts.

Of course, at the end we will not see all the players as winners, there will also be losers, but this week, which should be celebrated in the name of sportsmanship and friendship, will provide a lasting experience.

The main object of these World and European Championships is to bring together a large number of dart players from all over the world in order that they can successfully practice their sport and make new friends.

In the name of the EDU I must thank the Croatian Dart Association (HPS) and the Cyberdine Company for their hospitality here in Zadar and for the perfect organization of this event in Croatia.

Lastly I would like to wish that all the players compete successfully and in a fair manner, and I hope we will all come together again as friends next year at the European Championship in Leukerbad, Switzerland.

Good darts,

Karl Plank

President of the EDU

Grußwort

Herzlich Willkommen zur ersten Weltmeisterschaft der IDF (International Dart Federation) und zur 14. Europameisterschaft der EDU (European Dart Union) in Zadar. Diese Meisterschaften gehören zum absoluten sportlichen Höhepunkt dieses Jahres im Dartsport.

Mein herzlicher Gruss geht an die Sportler aller Nationen, an die angeschlossenen Verbände, an die Delegationen und Vorstände, an die Vertreter der Medien und Behörden, und an alle Gäste, welche sich an unserem Sport erfreuen.

Bei diesem Finale werden wir sicher nicht nur Sieger sehen, sondern auch Verlierer. Aber diese Woche, die im Namen des Sports und der Freundschaft steht, wird auch wichtige Erfahrungen bringen.

So viele Dartspieler aus der ganzen Welt zusammenzubringen und Ihnen die Möglichkeit geben, neue Freundschaften zu schliessen, sollte neben den sportlichen Erfolgen ein eben so grosses Ziel dieser WM/EM sein.

Im Namen der EDU bedanke ich mich beim Kroatischen Verband, dem HPS und der Firma Cyberdine für das Gastrecht in Zadar und die Organisation dieser tollen Spiele hier in Kroatien.

Somit bleibt mir nur noch allen Sportlern erfolgreiche und faire Wettkämpfe zu wünschen und ich bin sicher wir werden uns spätestens bei der nächsten Europameisterschaft in der Schweiz, Leukerbad wieder als Freunde treffen.

Mit sportlichen Grüßen,

Karl Plank

Präsident der EDU
