

## **First Soft tip tournament in Russia.**

In the extraordinary organization of the Russian Dart Federation in St. Petersburg, the first soft-tip dart tournament in Russia was held on August 14. This tournament will be recorded with gold letters in the history of the Russian Dart Federation said their president Aleksandar Belov at the opening ceremony. The president of the regional federation of St. Petersburg Sergey Sazonov gave a large contribution to the great organization of the tournament by being an excellent host. Present was also the vice-president of the Russian Dart Federation Vladimir Gut, our old friend and leader of the Russian representation at the EDU tournaments. Russia will with its sport organization sail from St. Petersburg full sails ahead to EDU and IDF tournaments and more actively participate in the work of EDU and IDF, which is what all of us in EDU and IDF want.

## *St. Petersburg - Russia*

The best 16 male players and the best 8 female players from all regions of great Russia in the historical final tournament „St. Petersburg Open“ and the Russian Dart Cup 2010 gave their best in the meetings and in the male competition the winner was Tsivchik Sergei while in the female competition the winner was Shershukova Marina

In the presence of the two presidents, IDF Aleksandar fon Egen and EDU Karl Planka who arrived thanks to the invitation of the Russian Dart Federation, they supported and enhanced the first soft-tip tournament in Russia „St. Petersburg Open“ and the Russian Dart Cup 2010. The tournament was held on Cyberdine dart machines.
